September 21, 2009

Dear Sponsor,

The Association of Haitian Physicians Abroad (AMHE), South Florida Chapter, is pleased to announce that its 23rd Annual Fundraising Gala will be held this year on Saturday, December 19, 2009 at the Westin Diplomat Hotel in Hollywood, Florida. The funds collected will help support the humanitarian activities of our Association. These include:

- A weekly health education radio show that provides culturally sensitive health information to our community in their native language.
- Scholarships to students in underserved areas interested in a career in the medical field
- Continued support to our less fortunate fellow physicians-in-training at the State University Hospital in Port-au-Prince, Haiti, and to cancer-screening programs in Haiti
- Contributions to disaster relief funds for hurricane and flood victims in Haiti

We also participate in a variety of medical events, such as health fairs, to provide health education and screening of prevalent diseases in our community.

In addition, two years ago, we partnered with the James Wilson Bridges Medical Society, an affiliate of the National Medical Association (NMA), as a Founding Member of the new College of Medicine at the Florida International University.

We thank you for your generous contribution in the past, and we hope that we can count on your continued support to help us sustain these important undertakings. The accompanying form describes the different levels of sponsorship available and how your contribution will be appropriately recognized. For your convenience, you may submit your contribution online at: <http://www.amheflorida.org>, or you can mail your check payable to:

AMHE Foundation South Florida Chapter, Inc.
4330 W. Broward Blvd, Suite G
Plantation, FL 33317

The Association of Haitian Physicians Abroad is a registered Non-Profit Organization and your contribution is tax-deductible to the extent provided by the law.

Sincerely,

Herold Merisier, MD
President
